STAFF ACCEPTANCE FORM AND CONSENT TO USE OF THE DISTRICT'S TECHNOLOGY, NETWORK SYSTEMS, AND INTERNET ACCESS

Name:_____ Date:_____

I hereby certify that I have received, read, understand and agree to all of the terms and conditions in the Glenwood Community School District's Appropriate Use of Technology, Network Systems, and Internet Access Policy. I understand that the district's technology and technology-related equipment I am being issued is the property of the Glenwood Community School District. I will return the district technology and any district technology-related equipment I am issued in the same condition in which I received it, excluding normal wear and tear and unforeseen system breakdowns, i.e. storage failures, etc. I understand that I am responsible for any damage or loss to the district's technology and technology-related equipment I am issued. In case of damage or loss, I agree that I will replace any damaged or lost district technology or technology-related equipment with technology and/or technology-related equipment of equal value and functionality as approved by the district's administration.

I accept full responsibility for my use of the district's technology, network systems, and internet access through the district in accordance with the terms, conditions, and guidelines as stated by the district in its policies and regulations and as set out in federal and state law. I understand that violation of these provisions will result in the restriction and/or determination of my ability to use the district's technology, network systems, and internet access and may result in further discipline up to and including termination of my employment with the district and/or other legal action. I will not hold the district responsible in any way for materials accessed through the district's technology, network systems, and/or the district's internet access. I relieve the Glenwood Community School District and its officers and employees from any and all financial responsibility that may be incurred by my use of the district's technology, network systems, and internet access.
