

Glenwood Community School District App Procedures

Use this form to request an app to be downloaded to school technology for educational purposes. In the first year of the 1 to 1 initiative (2013-2014) paid apps will not be purchased with district funds, please look for free apps that have an educational value for students. All subsequent years, apps will need to be brought before the technology committee for approval. This form is to be filled out for all apps, free and apps that require a fee. If the app request is approved the technology department will load the app of the district devices specified in this form.
