The following Board members were present: Greg Schultz, Tim Becker, Elizabeth Richardson, Ann Staiert, and President Becker.

Work Session

The Board of Education and Superintendent Embray along with the Administrative team discussed e-learning and what it would look like moving forward with the shutdown. The Board discussed what they have been hearing from the public and the need for learning to continue. The District is awaiting further guidance from the Department of Education to make decisions on what e-learning will look like moving forward.

As there was no further business to come before the Board at this time, a Motion was made by Greg Schultz to adjourn the Work Session at 12:04 p.m. Tim Becker seconded the Motion. All voted "aye". Motion carried.
